Now's the public's chance to have input on forest idea

Aug 24 2007

Port Alberni's own piece of the forest has been carved out and now the city would like people's input as to how to use it.

There is a survey on the City of Port Alberni's website (city.port-alberni.bc.ca) asking for input on every aspect of the community forest.

A hard copy of the survey can also be obtained from City Hall.

The survey is designed to gauge community support for the initiative and ascertain how individuals and groups are willing to help.

Everyone is welcome to attend the Community Forest open houses from 2-8 p.m. on Monday, Sept. 17 at City Hall and Tuesday, Sept. 18 at Sproat Lake Community Hall.
